Preview of art exhibition

Wednesday, January 6, Tradition Art Gallery, Juhu

THE preview of *Not Just Child's Play* was hosted by Bina Aziz and Zarine Khan and saw both their husbands — Talat Aziz and Sanjay Khan — walk in to be with their wives, though at widely differing times. While Sanjay walked in very early, Talat turned up when most had left. Zayed Khan came in with a short hairstyle, making a public appearance after ages. Pooja Bedi was scheduled to attend multiple events that night and so only came in for a short while. Meghna Oberoi came in minus brother Vivek and felt immediately at home with the artworks, considering she's an artist herself. Rekha and YK Sapru of the Cancer Patients Aid Association also attended.
